I am currently assigned to the Motion Section of the Law Division and have over 1400 cases on my docket. The cases include complex litigation matters involving medical and professional malpractice, toxic tort, product liability, automobile liability, defamation cases and generally any case with a value exceeding \$50,000.00 in damages. I oversee motion practice and discovery to certify the matters for trial.

Associate Judge, Second Municipal District, Skokie, Illinois: October, 2021, through July 17, 2023

While I was primarily assigned to traffic and misdemeanor cases, I also handled civil matters, preliminary hearings, bond hearings, domestic violence matters including civil orders of protection, officiated weddings and oversaw the issuance of arrest and search warrants. My calls were voluminous and several of the litigants were self-represented.

Associate Judge, First Municipal District, Traffic Division: January 6, 2020 through October 2021

Handled high volume traffic calls and misdemeanor DUI cases. During the pandemic, I was among the first judges to conduct court calls exclusively on Zoom. We managed enormous dockets on line as the courts had been closed for over 90 days and the backlog needed to be addressed.

I was formerly the one-half equity holder of Andreou & Casson, Ltd., which was founded in July of 2002. I was a trial attorney with more than 60 jury trials to verdict. In my career, I have written more than 70 appellate briefs and have argued before the Illinois Appellate Court and 7th Circuit Appellate Court. I was the primary managing member on cases from intake to appeal. My areas of practice included personal injury (plaintiff and defense); employment (plaintiff and defense); and, commercial litigation (plaintiff and defense) I practiced in both federal and state court in both the trial and appellate courts, and also before administrative bodies like the EEOC and the Illinois Department of Human Rights.

Pretzel & Stouffer, Chtd.: November, 1999 to May, 2002

I was an associate attorney who assisted equity and income partners with preparing cases for trial in civil litigation; medical malpractice defense; general liability defense, and personal injury defense. I was assigned to perform work on all phases of civil trial practice.

Cook County State's Attorney's Office: November, 1995 to November, 1999

I was an Assistant States Attorney in Criminal Appeals, Juvenile Justice, and Felony Review In appeals, I drafted appellate briefs and argued before the Illinois Appellate Court. In Juvenile Justice, I was responsible for a trial call in both the "Abuse and Neglect" and "Delinquency" divisions. In Delinquency, I handled the criminal prosecution of minors and was assigned to special prosecutions where transfer hearings were held to transfer minors to adult court.
